

## What can I bring to the park?

Water World offers tasty food and treats throughout the park including our Pharaoh's Feast All You Care to Eat Dining (see map on back). Guests are also welcome to bring picnic lunches; however glass containers, alcoholic beverages and BBQ grills are not permitted. All beverage containers must be factory sealed. Picnic pavilions, lawn chairs and shady areas are available throughout the park on a first come, first serve basis. Personal shade structures and inner tubes are not permitted.

## Cabana Rentals

Enjoy your own paradise! A limited number of private cabanas are available. Many services available. Please visit any Guest Service location or [waterworldcolorado.com](http://waterworldcolorado.com) for information & rental.

## Guest Services

We're committed to a great guest experience and Guest Services is here to help! We'll assist with limited paging, lost and found, disabled guest assistance, Splash Pass sales, cabanas, tube rentals, Pharaoh's Feast All You Care to Eat Dining bands and more! Please see map (on back) for locations.

## Need to leave the park?

If you leave the park and plan to return today, you must present your valid admission ticket and handstamp (obtained at the time of exit at the designated turnstiles). A limited number of park re-entries are available per day. Management reserves the right to limit or deny re-entry privileges.

## Smoking

Water World is a smoke free environment. For our guests who smoke, a smoking area is located outside our entry plaza (see map on back). Be sure to bring your ticket for park re-entry privileges.

## Safe Swimming

- > Only U.S. Coast Guard approved flotation devices are permitted. Kid's Puddle Jumper Life Vests are available at most Tube Exchange and all Guest Service locations free of charge.
- > Diaper dependent children are required to wear swim diapers (available for purchase at any merchandise location).
- > Appropriate swimwear is required.
- > Practice responsible and healthy swimming:
  - > Don't swim if you have or have had diarrhea in the last 2 weeks.
  - > Avoid swallowing pool water.
  - > Shower before swimming.
  - > Wash hands after using the toilet, changing a diaper or before eating.
  - > Take your kids on bathroom breaks or check their diapers often. All of our children's areas will close for 5 minutes each hour for bathroom breaks (11am-5pm). Use this opportunity to take your child to the bathroom.
  - > Change diapers in a restroom only. DO NOT change diapers poolside or on picnic tables.

## Park & Attraction Tips

- > Safety straps are required for all eyeglasses (available to purchase at any merchandise location). For guest safety, we cannot stop attractions or dive immediately to recover lost glasses.
- > Single rider attractions have a 48" height requirement unless otherwise noted. Most other attractions may be enjoyed by guests of any height. See map (on back) for attractions which use family-friendly/multiple guest tubes.
- > Signs at each attraction will advise water depth (varies from 1" to 8'), rules, warnings and more. Each guest must observe this information prior to use.
- > On single guest tubes, only 1 guest is permitted to ride on the tube (except Lazy River where 1 small child may ride on parent's lap).
- > Please do not leave locker keys or personal belongings unattended. Water World is not responsible for lost or stolen items. Lockers are available for use throughout the park. We offer keyless (unlimited use) or token operated pay-as-you go lockers. Please see map (on back) for locations.
- > Wear sunscreen! If you forget yours, sunscreen is available for purchase at any merchandise location.
- > Some attractions are busier in the morning hours. Consider visiting Voyage to the Center of the Earth and Lost River of the Pharaohs later in the day. Queuing lines on some attractions may close earlier than 6 pm to assure all guests in line can ride the attraction.
- > Footwear is allowed (and encouraged) while exploring the park. We suggest flip-flops or water shoes (both available at any merchandise location should you forget yours). Signage at each attraction will advise whether footwear is allowed.
- > Private Family Restrooms are available at The Big Top, Cowabunga Beach First Aid and Thunder Bay (featuring private shower, restroom and changing areas).
- > Try Splash Cash, our wearable wristband, for the most convenient way to make purchases throughout the park. Available at all Guest Service locations. We also accept all major credit cards.
- > Love your visit today? See Guest Services to apply today's ticket towards a Splash Pass for unlimited summer fun or pick up a gift card to share the summer memories.

## Tubes & Tube Valet Service

Tubes are provided on all attractions which require them (simply pick-up your tube at the bottom of the attraction). Rental tubes may be used in the Thunder Bay Wave Pool and allows top of ride access on attractions which use single guest tubes (see map on back). Rental tubes are priced per guest (cannot be shared). Tube wristbands may be purchased at any Guest Service location. Once you have purchased your wristband, proceed to the Tube Exchange in each area of the park and we'll give you a tube to use. When you are finished using the tube in that area, simply check it at the Tube Exchange and claim a new tube in the next area you are visiting (tubes cannot leave attraction area). Check out our Tube Valet Service which offers all-day top-of-ride access and no tube carrying on Voyage to the Center of the Earth, Storm and Lost River of the Pharaoh's. Tube Valet also includes one express ride on the Mile High Flyer, Revolution and Cowabunga Beach. Tube Valet is available at any Guest Service location (limited number per day).

## Weather and Rain Checks

We close our attractions when unsafe conditions exist in our immediate area (as determined by management in conjunction with our weather service). We re-open when weather conditions in our immediate area are safe to do so (we cannot guarantee ideal weather). In the event we cannot re-open within 60 minutes, you will receive a full or mid-day (1:45pm) ticket for a return visit (you must exchange today's ticket). No refunds are issued regardless of time spent in the park. While we cannot issue rain checks before 60 minutes of attraction closure, we offer a rain check wait list. Management reserves the right to close/re-open the park at any time. In the event rain checks are issued, a park announcement will be made with further instructions.

## Lost Parents

Please be sure your family has designated a meeting spot should you become separated during your visit. If you need assistance, please stop by any Guest Service location or contact any uniformed team member.

## First Aid

First Aid stations are located throughout the park. Please see the park map (on back) or ask any team member for directions.

**Looking for the best all-day dining value?**  
Leave the cooler at home and enjoy a family picnic at our private, shaded Pharaoh's Feast All You Care to Eat Dining! Open mid June-mid August (check website for exact dates) – see any Guest Service location for info.
