Designated Smoking Areas

Smoking is allowed only in designated smoking areas. Please see map (on back) for locations.

Safe Swimming

- > Only U.S. Coast Guard approved flotation devices are permitted. Kid's Puddle Jumper Life Vests are available at most Tube Exchange and all Guest Service locations free of charge.
- > Diaper dependent children are required to wear swim diapers (available for purchase at any merchandise location).
- > Appropriate swimwear is required.
- > Practice responsible and healthy swimming:
 - > Don't swim if you have or have had diarrhea in the last 2 weeks.
 - > Please avoid swallowing pool water.
 - > Please shower before swimming.
 - > Please wash hands after using the toilet, changing a diaper or before eating.
 - > Please take your kids on bathroom breaks or check their diapers often. All of our children's areas will close for 5 minutes each hour for bathroom breaks (11am-5pm). Use this opportunity to take your child to the bathroom.
 - > Please change diapers in a restroom only. DO NOT change diapers poolside or on picnic tables.

Park & Attraction Tips

- > Safety straps are required for all eyeglasses (available to purchase at any merchandise location). For guest safety, we cannot stop attractions or dive immediately to recover lost glasses.
- > Signs at each attraction will advise water depth (varies from 1" to 8'), rules, warnings and more. Each guest must observe this information prior to use.
- > On single guest tubes, only 1 guest is permitted to ride on the tube (except Lazy River where 1 small child may ride on parent's lap).
- > Please do not leave locker keys or personal belongings unattended. Water World is not responsible for lost or stolen items. Lockers are available for use throughout the park. We offer keyless (unlimited use) or token operated pay-as-you go lockers. Please see map (on back) for locations.
- > Wear sunscreen! If you forget yours, sunscreen is available for purchase at any merchandise location.
- > Some attractions are busier in the morning hours. Consider visiting Voyage to the Center of the Earth and Lost River of the Pharaohs later in the day. Queuing lines on some attractions may close earlier than 6 pm to assure all guests in line can ride the attraction.
- > Footwear is allowed (and encouraged) while exploring the park, but are not allowed on all attractions. We suggest flip-flops or water shoes (both available at any merchandise location should you forget yours). Signage at each attraction will advise whether footwear is allowed.
- > Private Family Restrooms are available at The Big Top, Cowabunga Beach First Aid and Thunder Bay (featuring private shower, restroom and changing areas).
- > Try Splash Cash, the most convenient way to make purchases throughout the park! Purchase Splash Cash and add funds at any Guest Service location in the park. We also accept all major credit cards and for your convenience there is an ATM located inside our Gift Shop.
- > Love your visit today? See Guest Services to apply today's ticket towards a Splash Pass for unlimited summer fun or pick up a gift card to share the summer memories.

Tubes & Tube Valet Service

Tubes are provided on all attractions which require them (simply pick-up your tube at the bottom of the attraction). Rental tubes may be used in the Thunder Bay Wave Pool and allows top of ride access on most attractions which use single guest tubes (see map on back). Rental tubes are priced per guest (cannot be shared). Tube wristbands may be purchased at any Guest Service location. Once you have purchased your wristband, proceed to the Tube Exchange in each area of the park and we'll give you a tube to use. When you are finished using the tube in that area, simply check it at the Tube Exchange and claim a new tube in the next area you are visiting (tubes cannot leave attraction area). Check out our Tube Valet Service which offers limited top-of-ride access and reduced tube carrying on Voyage to the Center of the Earth, Storm, Lost River of the Pharaoh's, Mile High Flyer, Revolution, Turbo Racer and Cowabunga Beach. Tube Valet is available at any Guest Service location (limited number per day).

Weather & Rain Checks

We close our attractions when unsafe conditions exist in our immediate area. We re-open when weather conditions in our immediate area are safe to do so (as determined by management in conjunction with our weather service). We cannot guarantee ideal weather. In the event we cannot re-open within 60 minutes, you will receive a full or mid-day (1:45pm) ticket for a return visit (you must exchange today's ticket). No refunds are issued regardless of time spent in the park. While we cannot issue rain checks before 60 minutes of attraction closure, we offer a rain check wait list. Management reserves the right to close/re-open the park at any time. In the event rain checks are issued, a park announcement will be made with further instructions.

Lost Parents

Please be sure your family has designated a meeting spot should you become separated during your visit. If you need assistance, please stop by any Guest Service location or contact any uniformed team member.

First Aid
